colors. They embrace every conceivable shade of crimson, pink, lavender, yellow, black, pure white, etc. One of the chief points of excellence is the deep throat and diversity of veining in the throat. Flowers are beautifully ruffled and frilled. 1000 seeds 40 cts.; 1/16 oz. \$1.50; 1 oz. \$18.00. Special prices on quantities.

PETUNIAS "GIANTS OF CALIFORNIA"

"I was thoroughly amazed at the beauty of those Petunias, especially the great yellow-throated ones, and the double ones of such delicate shades."

LUTHER BURBANK.

Mr. Fred H. Howard of Howard & Smith, Los Angeles, Cal., states that they obtained higher per centage of germination from our Petunia seed than from any other they ever grew.

PETUNIAS "MARVELOUS" DOUBLE

We take great pride in offering our new double petunias. They have never been surpassed in beauty, size, form or color, if ever equaled. Selection in crossing every flower was made with the greatest care and thought, and the results are a surprise even to ourselves.

It would be impossible to describe at length the many varieties in form and color. Pink, snowy white, violet, lavender, mauve, crimson, plain and shaded with variegations in all these shades, innumerable.

Many of the flowers measure 5 inches across, none less than 3. They are fluted, frilled, ruffled and pinked. The combinations of color are exceedingly strange and beautiful. The proportion of double flowers is greater than any we have ever seen. \$1.00 per 1000 seeds; 10,000 for \$8.00.
